

ORANGE SCHOOLS FOUNDATION

We are a charitable, non-profit organization focused on raising money to fund innovative, out of the ordinary, and out of budget initiatives for Orange City School District. The goal of the foundation is to provide financial support needed to assist in developing exciting and innovative programs or projects that enhance curricular and extracurricular opportunities for students and faculty. We receive dozens of grant requests yearly for initiatives that inspire creativity and exploration among our student-base and would not otherwise be covered by the school's budget. The foundation underwrites these grants for up to \$5,000 each.

Taking Orange Schools To A New League

Join the hundreds of organizations who have supported the annual fundraiser for Orange City School District presented by Orange Schools Foundation. This year's Wild for Orange is getting a little more wild as we take this premier fundraiser to the home of the Cleveland Indians.

Why Support Us?

Wild for Orange is the foundation's primary fundraiser. Proceeds are used to underwrite grants submitted by teachers and staff. Visit us at www.supportorange.org to learn more about the foundation's work.

Our Audience

Wild for Orange is marketed to the 6,500 residents of Hunting Valley, Moreland Hills, Orange Village, Pepper Pike, Solon and Woodmere via mailed invitation, electronic notifications, social media and signage on campus. Additionally, the auction, which is live as well as online, is promoted through electronic communication to the district and supports of the foundation.

Who Audience

More than 300 parents, district staff and teachers, sponsors and community members usually attend Wild for Orange each year.

Donating Is Easy
