

ORANGE SCHOOLS FOUNDATION

We are a charitable, non-profit organization focused on raising money to fund innovative, out of the ordinary, and out of budget initiatives for Orange City School District. The goal of the foundation is to provide financial support needed to assist in developing exciting and innovative programs or projects that enhance curricular and extracurricular opportunities for students and faculty. We receive dozens of grant requests yearly for initiatives that inspire creativity and exploration among our student-base and would not otherwise be covered by the school's budget. The foundation underwrites these grants for up to \$5,000 each.

Taking Orange Schools To A New League

Join the dozens of corporations who have supported the annual fundraiser for Orange City School District presented by Orange Schools Foundation. The year's Wild for Orange is getting a little more wild as we take this premier fundraiser to the home of the Cleveland Indians.

Why Sponsor

Wild for Orange is the foundation's primary fundraiser. Proceeds are used to underwrite grants submitted by teachers and staff.

How We Use Your Donation

We are committed to making your experience one that meets your organization's business goals. Your contribution will be placed in an unrestricted fund. If there is a special area of focus you would like your sponsor dollars designated for, we can create a restricted fund. We're happy to discuss your preferences with you.

Our Audience

For a full year, your organization will be seen by more than 6,500 residents of Hunting Valley, Moreland Hills, Orange Village, Pepper Pike, Solon and Woodmere via mailed invitation, electronic notifications, social media and signage at foundation events.
