

ORANGE SCHOOLS FOUNDATION

We are a charitable, non-profit organization focused on raising money to fund innovative, out of the ordinary, and out of budget initiatives for Orange City School District. The goal of the foundation is to provide financial support needed to assist in developing exciting and innovative programs or projects that enhance curricular and extracurricular opportunities for students and faculty. We receive dozens of grant requests yearly for initiatives that inspire creativity and exploration among our student-base and would not otherwise be covered by the school's budget. The foundation underwrites these grants for up to \$5,000 each.

Wild for Orange Goes Family-style

Join the dozens of companies who have supported the annual fundraiser for Orange City School District presented by Orange Schools Foundation. The year's Wild for Orange is meant for the entire family, with an afternoon of food, behind-the-scenes experiences and silent auction followed by a 3 p.m. Monsters hockey game.

Why Sponsor

Wild for Orange is the foundation's primary fundraiser, with all proceeds going to underwrite grants submitted by teachers and staff. As a partner of Orange City School District, this financial support assists in offering exciting and innovative programs and initiatives that help engage students and prepare them for a competitive post-primary school experience.

How We Use Your Donation

We are committed to making your experience one that meets your organization's business goals. Your contribution will be placed in an unrestricted fund. If there is a special area of focus you would like your sponsor dollars designated for, we can create a restricted fund. We're happy to discuss your preferences with you.

Our Audience

The district is home to the 6,500 residents of Hunting Valley, Moreland Hills, Orange Village, Pepper Pike, Woodmere, and parts of Solon and Warrensville Hts.
